LAW FIRM

Job Title: Litigation Paralegal
FLSA Status: Non-Exempt/Full-Time

About Us

The Saveri Law Firm, LLP is a purpose-driven plaintiffs' firm dedicated to challenging powerful corporations — from Big Tech to dominant industry players — through precedent-setting antitrust and competition litigation on behalf of consumers, workers, and creators. We are at the forefront of emerging issues, including generative AI, no-poach agreements, wage-suppression collusion, price-fixing, and other anticompetitive and exploitative business practices.

Since our founding in 2012, we have built a reputation as one of the nation's leading plaintiffs' firms and are appointed time and again as lead or co-lead counsel in significant, complex cases in federal and international forums. To date, our attorneys have obtained over \$5 billion in settlements and successful resolutions for their clients.

Our work has been repeatedly recognized by leading independent legal-industry peers and ranking organizations. Highlights include high rankings by Chambers & Partners in its "Antitrust: Plaintiff" categories, and recurring praise from the Legal 500, Best Lawyers, Benchmark Litigation, the Global Competition Review, the American Antitrust Institute, and other well-respected organizations.

We are not just litigators, we are advocates for fairness, competition, and accountability. We want to make an impact, bring creativity to difficult challenges, and value high-caliber work. If you are passionate about using the law to challenge the status quo — your work here will truly matter.
